PROTECTION INTEGRATION PROGRAM

## 2025 REPI WEBINAR SERIES SCHEDULE

Join the REPI Program for the 2025 Webinar Series to learn about program initiatives, projects, and partnerships that ensure military readiness and enhance military installation resilience. **Unless noted, all webinars begin at 1:00 PM Eastern Standard Time (ET).** The green webinars are part of the REPI Program Webinar Series, and the blue webinars are part of the Sentinel Landscapes Partnership Webinar Series.

### DEVELOPING A COMPELLING SENTINEL LANDSCAPE DESIGNATION PROPOSAL\*

The Sentinel Landscapes Partnership Expression of Interest (EOI) Help Session offers applicants a comprehensive overview of the 2026 Sentinel Landscape Designation Cycle, focusing on best practices for preparing an EOI. The session covers key elements such as eligibility, EOI requirements, and evaluation criteria. Participants will learn how to align their proposals with the priorities of the Federal Coordinating Committee (FCC) member agencies. The session also includes Q&A, allowing applicants to engage with FCC members for guidance on proposal strategies and support throughout the process.

### 2025 READINESS AND RECREATION INITIATIVE HELP SESSION

The REPI Program is pleased to partner with the National Park Service State and Local Assistance Program for the 2025 Readiness and Recreation Initiative. Now in its third year, this partnership provides \$40 million in funding from the Land and Water Conservation Fund (LWCF) as a potential match to REPI funds to support projects that provide recreation opportunities to military families and the public while promoting military readiness and resilience. During this webinar, participants will learn how the REPI Program and the National Park Service fund projects that successfully match LWCF and REPI funds and how to submit proposals.

### 2025 REPI CHALLENGE PROJECT SPOTLIGHT

In 2024, the REPI Program hosted its annual REPI Challenge for the 13<sup>th</sup> consecutive year. For the FY 2024 REPI Challenge, the REPI Program played a pivotal role in fostering partnerships, contributing more than \$23 million in funding coupled with more than \$39 million in partner contributions. Join the 2025 REPI Challenge Project Spotlight to learn how these projects helped advance innovative projects that promote compatible land use and enhance military installation resilience.

## 2025 REPI WEBINAR SERIES SCHEDULE

WEDNESDAY

# 7 MAY

3:00 – 4:00 PM ET

*\*Begins at 3:00 PM ET*

### 2026 REPI CHALLENGE HELP SESSION

The REPI Program is pleased to release the FY 2025 REPI Challenge Request for Proposals. During this informational webinar, participants will hear directly from the REPI Office about the goals and objectives of the FY 2025 REPI Challenge Request for Proposals and can ask questions.

[Click here to join the 2026 REPI Challenge Help Session webinar.](#)

WEDNESDAY

# 24 SEP

### CONNECTING DEFENSE COMMUNITIES AND MILITARY INSTALLATIONS

The Department's Assistant Secretary of Defense for Energy, Installations, and Environment (ASD(EI&E)) operates under the direction of the Office of the Secretary of Defense and provides oversight of military installations and management of the environmental, safety, and occupational health programs under DOD. During this webinar, participants will learn how DOD funds provide critical resources to defense communities by enhancing military readiness, protecting local habitats, strengthening military community relations, and creating partnerships among local stakeholders.

WEDNESDAY

# 15 OCT

### CONSERVATION FINANCE OPPORTUNITIES IN SENTINEL LANDSCAPES | FEMA 101\*

In 2024, the Sentinel Landscapes Partnership announced the addition of the Federal Emergency Management Agency (FEMA) to its Federal Coordinating Committee. The addition of FEMA to the Sentinel Landscapes Partnership expands DOD's efforts to enhance the resilience of our military installations and defense communities. During this webinar, participants will learn how funding through FEMA can be used to reduce risks from natural disasters and other extreme weather events.
