

# REPI Readiness and Environmental Protection Integration Program

2021 REPI WEBINAR SERIES SCHEDULE: PART 2

Join the REPI office for this online series highlighting best practices and providing knowledge sharing and tutorials on REPI partnership efforts that support military missions, accelerate the rate of conservation, and promote military installation and community resilience. The 2021 REPI Webinar Series Schedule was released in two parts. This flyer covers only the webinars included in the second half of the year.

All webinars begin at **1:00 PM** eastern unless otherwise noted. For detailed webinar descriptions, connection instructions, and information on previous webinars, please visit [www.REPI.mil/Resources/Webinars/](http://www.REPI.mil/Resources/Webinars/).

WEDNESDAY  
**30 JUN**

## RESILIENCE TOOLS AND TECHNOLOGY

During this webinar, participants will learn more about the learning materials and tools available that can help kickstart or advance REPI resilience projects. Whether your partnership is just starting out or looking to grow your scope of work, this webinar will equip you with the knowledge necessary to utilize three innovative resilience tools including a sneak peek at the new REPI Resilience Interactive Primer.

WEDNESDAY  
**04 AUG**

## 2021 REPI CHALLENGE FUNDING RECIPIENT SPOTLIGHT

During this webinar, participants will learn more about a selection of the 2021 REPI Challenge funding recipients. The 2021 REPI Challenge focused on innovative projects that limit incompatible development, enhance military installation resilience, and relieve current or anticipated environmental restrictions on military testing, training, or operations at installations across the country.

WEDNESDAY  
**01 SEP**

## MISSION SUSTAINMENT

During this webinar, participants will learn more about the programs, grants, and other offerings of the Office of the Assistant Secretary of Defense for Sustainment (OASD(Sustainment)) offices. By leveraging the different OASD(Sustainment) Service offerings, a REPI project can greatly enhance its holistic encroachment management strategy.

WEDNESDAY  
**08 DEC**

## SENTINEL LANDSCAPES SPOTLIGHT\*

During this webinar, participants will learn more about the newly designated sentinel landscapes, what makes them different, their history, their priorities, and how they embody the mission of the Sentinel Landscapes Partnership.
